- what you can do to mark this week

Absolutely everyone can do something to support and celebrate Men's Health Week (MHW) 2012 ...

The focus for this year (i.e. '[Men's Health - What's Your First Instinct?](#)') lends itself to a wide range of ways to mark this occasion. However, you don't have to stick rigidly to this particular topic. Anything which encourages men and boys to lead healthier lifestyles, to be more aware of preventable health problems, and to seek early detection and treatment for health difficulties will be very welcome!

In Ireland, there is a common logo and an image pack which can be used by anyone who wishes to raise awareness of MHW and/or to be associated with it. We also have a MHW 2012 poster. All of these images are available for free downloading online at: www.mhfi.org/mens-health-week-image-pack.html

These are important promotional tools, as one of the key aims of MHW is to let as many people as possible (especially men) know about the week, when it will happen, and how they can get involved.

Even if you don't have a lot of time, energy or resources to give to MHW, there are still some really easy (and free) ways that you can show your support.

These include:

- Putting a [MHW poster](#) (or two) up in your workplace / meeting space / community centre / local shop / home ...
- Promoting the week on your website - using a copy of the [MHW logo](#) and/or [web banner](#).
- Linking to the Men's Health Forum in Ireland's website page devoted to Men's Health Week 2012 (www.mhfi.org/mens-health-week-2012.html) from your own website, Facebook page or other social networking site.
- Sending an email to everyone in your contacts list to tell them about Men's Health Week, and asking them to forward the message to all their contacts.
- Becoming a fan of the Men's Health Forum in Ireland's Facebook site (www.facebook.com/MensHealthForumIreland) and sending the link to all your online friends.
- Inserting the MHW logo into your outgoing emails for the months of May and June.
- Including information on MHW in your mailouts / newsletters.
- Telling others about what is happening in your area during MHW by posting details on the MHFI website (use the form at: www.mhfi.org/how-to-promote-your-mens-health-week-event.html).
- Making the MHW logo your computer desktop 'wallpaper' during May and June.
- Reminding your colleagues to follow all the latest MHW news on Twitter (www.twitter.com/MensHealthIRL).
- Encouraging the men you know to get involved in some of the activities taking place during MHW 2012 ...
