

Men's Health Symposium

15th April, 2015

Dr. Steeven's Hospital, Dublin

Programme

The aim of the event will be:

- to launch/disseminate report on National Men's Health Policy review and to consider the implications of the report in the context of Healthy Ireland and future men's health work.
- to showcase recent outputs in men's health that will inform ongoing and future initiatives in men's health.
